

How to access e-Science City Virtual World

1. Go to New World Grid @ <http://www.newworldgrid.com/>
2. Create an account with New World Grid. Check you spam folder for the activation email.

3. Download a second life viewer like Imprudence.
@ <http://wiki.kokuaviewer.org/wiki/Downloads>
4. Install the second life viewer.
5. Login to the New World Grid "World"

6. Search for the e-Science City Island and teleport there.
